

2011 – 2012 ENROLLMENT INFORMATION

Applications are now being accepted for the 2011-2012 school year. Classroom visitations may be arranged by calling the office. To initiate the admissions process, parents may submit a completed application and a \$ 125 nonrefundable registration fee.

The following priorities apply when considering children for admission:

1. Children who have completed our 3's program wishing to enroll for another year
2. Children who are currently attending Tiny Tots Preschool
3. Children of FUMC Church Members
4. Children of Alumni Families
5. Children with Wait List Priority
6. Date of application

Parents will be notified regarding acceptance, by mail and phone. The initial registration deposit is due immediately to secure your child's spot. The complete payment schedule is listed below. Methodist Tiny Tots admits students of any race, color, religion, national and ethnic origin to all programs or activities and does not discriminate on the basis of these factors in the administration of its admission policies. Unfortunately, space and program do not allow the school to accept all applicants. We balance the classes by numbers of boys and girls and ages of the children. We also take into consideration any students special needs. Methodist Tiny Tots maintains a wait pool. Wait pooled applicants that are not offered placement in the current year's program will have wait list priority for the next school year's admission.
