

Outings & Educational Visits

We will take the children on walks, outings and education visits. This furthers the range of fun, stimulating experiences and opportunities that we offer, and supports and develops the children's knowledge and understanding of the world, including:

- Becoming aware of and interested in the natural world
- Finding out about their local area, knowing what they like and dislike about it
- Learning about communities, their own and other peoples culture

We ask parents/caregivers to sign a general permission slip for routine outings when your child starts preschool as part of our 'Welcome Pack'. We also seek further permission (and parental help) for any 'special trips' that we organize. You will be aware of our outings before they occur by notes in your child's cubby and reminders on the classroom door.

Please complete the section below. We will keep on file for use as your authorization throughout the year.

Field Trip Permission

Tiny Tots Preschool has my permission to take _____ on field trips as authorized by the child care center. (Child's Name)

I understand that for planned outings a specific permission slip will be provided with dates, times, and location of the fieldtrip. If for some reason I did not receive the specific permission slip, forgot to sign it, or my child was not in school when it was provided, this general permission may be used in its place.

Signature of Parent _____ Date _____
or Legal Guardian
