

## Preschool Supply Checklist

Cubby space is limited and part time students and siblings may be required to share a cubby. Please keep blankets to one, and extra clothing should fit in a large zip lock storage bag.

**Back packs, tote bags and large items such as pillows, and stuffed toys must be taken home each day.**

Tiny Tots provides two healthy snacks every day, one in the morning and one in the afternoon. **Children bring their own lunch each day they attend past noon.**

These are items that your child may keep in their cubby at Tiny Tots. Please remember to label all items with your child's name. Cuddly Toys from home are permitted, but must stay in their cubby during school hours. Cuddly toys may be brought out during nap time to sleep with as long as they do not become a distraction to nappers.
